

13F2O - COLT / KNIGHT Chief

Leads and trains the Combat Observation Lasing Team (COLT) or the KNIGHT

Team in combat operations. Prepares observer target lists and assists in

formulating offensive and defensive fire support plans. Initiates, requests, and

adjusts field artillery, mortar, and naval gunfire using all methods of adjustment

including continuous and coordinated illumination. Initiates suppressive and

screening fire to support the scheme of maneuver and performs crater analysis.

Selects and occupies the observation post (OP).
